Dear Martin Fletcher and Anne Tonkin

**Re the AHPRA COVID-19 Vaccination Position Statement dated 9 March 2021** (Copy attached.)

Please advise me - **who authored this position statement?**

It's noted on the position statement that it's approved by "All National Boards". Please advise me - **who are the people on the National Boards who approved the Position Statement?**

I would appreciate your response on this matter, it's relevant to my recent notification re medical practitioner Paul Kelly. (Notification reference number 00531213.)

Thank you

Elizabeth Hart
