

"Informed consent should be obtained for every COVID-19 vaccination, as per usual consent procedures for other vaccinations."

This is a clear, unambiguous statement...

Recently former New South Wales Premier Dominic Perrottet [confessed in the Parliament of New South Wales](#):

**"...mandates
were wrong."**

This is a most serious admission of wrong-doing by a senior politician - why were vaccine mandates ever imposed upon the Australian population?

We must now seek accountability for this egregious assault on the population.

As noted above:

"Informed consent should be obtained for every COVID-19 vaccination, as per usual consent procedures for other vaccinations."

My colleague Emma McArthur received that statement in a letter from the Australian Government Department of Health, [dated 21 December 2021](#):

Ms Emma McArthur

I can advise that informed consent should be obtained for every COVID-19 vaccination, as per usual consent procedures for other vaccinations.

Yours sincerely

Louise Morgan
Acting Assistant Secretary
COVID-19 Vaccine Claims Scheme Taskforce
Medical Benefits Division

21 December 2021

I received the same statement in a letter from the Australian Government Department of Health and Aged Care, [dated 17 November 2022](#):

Ref No: MC22-018819

Ms Elizabeth Hart

Informed consent should be obtained for every COVID-19 vaccination, as per usual consent procedures for other vaccinations.

Yours sincerely

Nigel Murray
Assistant Secretary
MBS Policy and Specialist Services Branch
17 November 2022

This requirement is noted in a variety of sources, e.g. *The Australian Immunisation Handbook*, under [Valid consent](#):

For consent to be legally valid, the following elements must be present...

It must be given voluntarily in the absence of undue pressure, coercion or manipulation...

It can only be given after the potential risks and benefits of the relevant vaccine, the risks of not having it, and any alternative options have been explained to the person.

At the time Emma McArthur received her letter from the Morrison Government [in December 2021](#), and when I received my letter from the Albanese Government [in November 2022](#), various vaccine mandates were in place around Australia, ranging from ‘No Jab, No Job’ to ‘No Jab, No Life’.

How could vaccine mandates be put in place when this so clearly contradicts the requirement for voluntary informed consent for vaccination?

Coercion and mandates preclude voluntary informed consent for vaccination.

There is no valid consent if people cannot say ‘no’ without penalty.

How could the medical profession administer *mandatory* medical interventions?!

The medical ‘profession’ should have refused to collaborate with this travesty!

This happened not just in Australia, but in so many other countries around the world, including other Five Eyes countries - the United States, Canada and New Zealand. Notably vaccine mandates did not take off in the UK.

This must be tracked back now, *who are the actual perpetrators who facilitated the destruction of voluntary informed consent for vaccination?*

See for example:

Misfeasance in Public Office?

Misfeasance in Public Office?

Scott Morrison to use National Cabinet to lobby state governments to go against health advice on COVID vaccinations

Is the reckless destruction of voluntary informed consent for vaccination misfeasance in public office?

KEEP FIGHTING! All the perps who pushed this greatest crime against humanity, all the way down to the local level, must get their comeuppances!

SCREW THE HYPOCHONDRIA GERMAPHOBIC FEAR HYSTERIA! DO NOT CONSENT! Avian flu is for the birds! RESIST!

Can't say this often enough! The Military/Industrial Complex and the Biowarfare/industrial Complex, WEF agenda and the evils assaulting humanity are from one and the same source - it is the 99% against the diabolical GREED of the 0.01% who should not be in charge of anything!

And BIG pHARMa is an arsenal making permanently sickly addicted slaves dependent on their products - the complete opposite of actual health.

How I wish to see a world driven by compassion and a thirst for knowledge to appreciate the gifts of The Creator! Your fighting to make such a world possible is greatly appreciated!

Proudly ANTI-VAXX! Reiterating for the sake of newbies and to support this post.

Ban all vaccine jabs! There has never been a 'safe and effective' vaccine since Edward Jenner's fraud over 200 years ago as per 'Dissolving Illusions' by Suzanne Humphries and 'Turtles All the Way Down' by Anonymous. Health can never come from a needle or pills, but from healthy eating, healthy exercise and healthy living! <https://virustruth.net>

JAB INJURIES: GROSS CALAMARI BLOOD CLOTS/AUTISM TSUNAMI/SADS/TURBO CANCER/BIZARRE TERMINAL ILLNESSES: More tragic victims of the ruling parasite genocidal enslavement agenda, sacrificed on the altar of psychopathic greed and hatred of humanity.

There is an insidious global ruling class plot to enslave all life on earth behind all the madness and suffering inflicted on We the People.

Elizabeth, the points you make are so civilized. It's a no brainer. As a covid shot injured person, the absolute lack of informed consent makes my blood boil. The fact that pfizer compiled a 38 page document of reported adverse side effects derived from the Brighton Collaboration and VAERS in February 2021 and didn't disclose it, in fact hid it from the public, drives me insane. I got my shot April 8/21. You would think this would be a slam dunk in a court of law but they and the government have made it impossible to sue. They have all the power, we have none despite all that has been discovered about these shots, the contaminated plasmid DNA, the N1 Methyl Pseudouridine, the SV40. I now don't just worry about me, I worry about my adult children and husband who all had 3. The stress has been immense whilst the manufacturers buy little yachts to go with their big yachts.
